## Rashriya Ekta Diwas (National Unity Day)

India is celebrating October 31 as National Unity Day to pay tributes to veteran freedom fighter Sardar Vallabhbhai Patel, who was also the country's first home minister whose contribution in convincing many of the princely states to join the Union of India after Independence remains especially notable. As the country remains grateful for Patel's crucial efforts leading to the integration of India, the day is celebrated as homage to that “national unity”. The government in 2014 declared that Sardar Vallabhbhai Patel's birth anniversary on October 31 will be celebrated as National Unity Day or Rashtriya Ekta Diwas. National Unity Day is conducted on 02.11.2021 by taking pledge on Rashriya Ekta Diwas (National Unity Day) to faster and reinforces our dedication to preserve and strengthen unity, integrity and security of our nation on the birth Anniversary of Sardar Vallabhbhai Patel nearly 560 students participated and taken the oath.

The poster features the college's logo on the left, a large golden statue of Sardar Vallabhbhai Patel on the right, and a central blue and red banner with the event details. Text includes the college name, address, event title, date, a pledge statement, a website link, and contact information for the Secretary and Principal. Social media icons for YouTube and Facebook are at the bottom left, and the college website is at the bottom right.

## **JALLIANWALA BAGH MASSACRE**

### **REMEMBERING DAY**

**SALUTE TO ALL BRAVE HEARTS OF JALLIANWALA BAGH MASSACRE.** The Hindu, Muslims, Sikhs sacrificed their lives together Respect towards the people who lost their lives in the Jallianwala Bagh massacre

Aalim Muhammed Salegh College Of Engineering, 1 (TN) CTC NCC, Army Wing has organized a meeting on the 13th of April, 2022, where the cadets have conveyed the message on the unforgettable historic event (darkest day) The Jallianwala Bagh massacre in the presence of students and faculty members. They also take the pledge of "SAY NO TO PLASTIC USE", around 300 students and faculty members participated in the event.

### **History of Jallianwala Bagh Massacre**

13th April 1919 was marked as the most tragic day in Indian history. This day was observed as the Jallianwala Bagh Massacre, the deadliest situation in Indian history which took place in Jallianwala Bagh, Amritsar, in the state of Punjab. 25,000 citizens came together in the evening on 13th April and conducted a protest against laws imposed by Britishers. The laws like Rowlett Act created social unrest between Indians.

Many Indian freedom fighters were against the Rowlett's Act imposed by Britishers. This led to a protest at Jallianwala Bagh, the leader of the protest, Hansraj called everyone for a meeting on 12th April 1919. The next day, Britishers imposed a curfew as well followed by martial laws at Jallianwala Bagh. The martial laws imposed by Britishers restricted public gatherings and even restricted all kinds of communication at Jallianwala Bagh, Amritsar. Despite knowing that the protest is peaceful. The colonel Reginald Dyer tried dispersing the crowd violently by securing all the exits. This made General Dyer order his troops to fire at all the people gathered inside Jallianwala Bagh indiscriminately. There was only one working exit in Jallianwala Bagh that was blocked out by General Dyer. The other doors of Jallianwala Bagh were too narrow and were closed. The people who had gathered there had no means of escape from the Bagh. Around 600 people were shot dead that day, thousands of people were injured, and most of them were critically injured. The Jallianwala Bagh Massacre is one of the most barbaric and cold-blooded, cold murder of innocent and unarmed citizens of our country. April 13th is considered one of the darkest days in the freedom struggle.

## **PLEDGE**

We realize that our environment is degrading day by day due to plastic pollution because it does not degrade and mix with soil easily and do not biodegrade. Now let's take a pledge together to save mother earth. We will stop the use of plastic bags and will use reusable cloth bags only. We pledge that we will educate our community people to save our environment. We will share the best possible solution to control Plastic Pollution, with the people of our community
