To: Ravikumar Raju &lt;raviams@gmail.com&gt;

Dear Sir,

This is with great pride and complete satisfaction that I am writing to you as it marks the 4<sup>th</sup> year partnering with your Prestigious institute – AMS College of Engineering and Polytechnic – Chennai for Campus Placement drives. We started off in the year 2020 offering Job opportunities for the students graduating from your Institute

AMS college is identified as one our trusted sources to rely on when it comes to hiring Technical and Engineering Graduates – Freshers over the years.

Having said that I would like to make some special mentions about 2 specific Engineering students who joined us in the year 2022.

In the year 2022 we hired 2 Engineering students from Mechanical and Computer Science majors from AMS Engineering College and the name are:-

1. Mohammed Afreed – Male – B.E Mechanical
2. Sathiswarri Marimuthu – Female – B.E Computer Science

**Mohammed Afreed** – Joined us as a Team Lead in our Assembly operations in 2022. He is a quick learner and is very keen on getting into details of the Job he does. Afreed shows interest in the work he does and never fails to deliver his job on time. Further, he is a team player working collaboratively with his peers and cross functional department members, He is an individual with good discipline coupled with great time management skill. We are glad to have him here as a Team Lead and we fore see him to become a successful Engineer in the nearest future.

**Sathishwarri Marimuthu** – Joined as a Technical Trainer in the Training and Induction team in 2022. She is a smart and bright young graduate who trains and inducts the new joiners. She also designs and develops training modules for new joiners. Sathishwarri is strong when it comes to data tracking and analysis, she is approachable and an aggressive learner with great potential. We are proud to have a diverse employee taking up this role of a trainer and we see her getting transformed as a matured Engineer over the days.

Once again, I truly appreciate your efforts in Molding and Uplifting the next generation of students and producing Smart and Talented Technical and Engineering professionals the Industries need.

Thank You very much. I value your relationship.

**Regards,**
