Rashriya Ekta Diwas (National Unity Day)

India is celebrating October 31 as National Unity Day to pay tributes to veteran freedom fighter Sardar Vallabhbhai Patel, who was also the country's first home minister whose contribution in convincing many of the princely states to join the Union of India after Independence remains especially notable. As the country remains grateful for Patel's crucial efforts leading to the integration of India, the day is celebrated as homage to that “national unity”. The government in 2014 declared that Sardar Vallabhbhai Patel's birth anniversary on October 31 will be celebrated as National Unity Day or Rashtriya Ekta Diwas. National Unity Day is conducted on 02.11.2021 by taking pledge on Rashriya Ekta Diwas (National Unity Day) to foster and reinforces our dedication to preserve and strengthen unity, integrity and security of our nation on the birth Anniversary of Sardar Vallabhbhai Patel nearly 560 students participated and taken the oath.

The poster features the college's logo on the left, a large golden statue of Sardar Vallabhbhai Patel on the right, and a central blue banner with white text. The background shows a modern building and a clear sky.

AZADI KA AMRIT MAHOTSAV**

As part of the 'Bharat Ki Azadi Ka Amrit Mahotsav' celebrations, a series of events are being organized by the Government of India to commemorate the 75th Anniversary of India's independence we aim to revisit history and acknowledge our local heroes whose struggles during the Freedom Movement have not received prominence in the conventional storyline. Let's raise awareness about our freedom struggle & the unsung heroes associated with it. It's time that the contributions of fighters like Veer Gundandhur, Velu Nachiyar, Bhikaji Cama, etc. Let us celebrate 'Bharat Ki Azadi Ka Amrit Mahotsav' by singing our national Anthem together.

**AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING, MUTHAPUDUPET,
AVADI IAF, CHENNAI 600055**

A group of Aalim Muhammed Salegh college of Engineering students have carried out various field activities in the critical COVID -19 pandemic situations.

1. **HELPING COVID PATIENTS-** Ambulance service with help of NGOs and admitting COVID -19 patients in govt. Hospitals.

2. **BLOOD DONATIONS**-In this critical situation our students donated blood for the needy people.

3. **FOOD ARRANGEMENTS**- preparation of meals in day to day bases and distributing to the poor and quarantine people

4. **COVID -19 BURING ACTIVITIES** – clearing the procedures from the hospital ad local governing bodies and buried 6 COVID -19 died patients.

'PUNEETH SAGAR ABHIYAN'

AALIM MUHAMMED SALEGH COLLEGE OF ENGINEERING, NCC ARMY WING conducted 'PUNEETH SAGAR ABHIYAN' which is a nationwide campaign to free seashores/beaches from plastic and other waste materials and enhance awareness about the importance of keeping these clean.

Under the campaign, cadets have generated awareness about the conservation and impact of plastic pollution along the sea beaches collecting the plastic and other waste products and by separating biodegradable, non-biodegradable products. While cleaning, utmost care was taken. The camp was held on 04/04/2022 during 6.30A.M to 8.00A.M at MARINA BEACH (LIGHT HOUSE) Chennai Site under the guidance of 1 TN CTC NCC Army Unit, Chennai. The camp was supervised by Lt Cdr Lalith Kumar C R, Commanding Officer and MR. G. Vinoth Kumar, CTO of Aalim Muhammed Salegh College Of Engineering was present on the occasion.

JALLIANWALA BAGH MASSACRE

REMEMBERING DAY

SALUTE TO ALL BRAVE HEARTS OF JALLIANWALA BAGH MASSACRE. The Hindu, Muslims, Sikhs sacrificed their lives together Respect towards the people who lost their lives in the Jallianwala Bagh massacre

Aalim Muhammed Salegh College Of Engineering, 1 (TN) CTC NCC, Army Wing has organized a meeting on the 13th of April, 2022, where the cadets have conveyed the message on the unforgettable historic event (darkest day) The Jallianwala Bagh massacre in the presence of students and faculty members. They also take the pledge of "SAY NO TO PLASTIC USE", around 300 students and faculty members participated in the event.

History of Jallianwala Bagh Massacre

13th April 1919 was marked as the most tragic day in Indian history. This day was observed as the Jallianwala Bagh Massacre, the deadliest situation in Indian history which took place in Jallianwala Bagh, Amritsar, in the state of Punjab. 25,000 citizens came together in the evening on 13th April and conducted a protest against laws imposed by Britishers. The laws like Rowlett Act created social unrest between Indians.

Many Indian freedom fighters were against the Rowlett's Act imposed by Britishers. This led to a protest at Jallianwala Bagh, the leader of the protest, Hansraj called everyone for a meeting on 12th April 1919. The next day, Britishers imposed a curfew as well followed by martial laws at Jallianwala Bagh. The martial laws imposed by Britishers restricted public gatherings and even restricted all kinds of communication at Jallianwala Bagh, Amritsar. Despite knowing that the protest is peaceful. The colonel Reginald Dyer tried dispersing the crowd violently by securing all the exits. This made General Dyer order his troops to fire at all the people gathered inside Jallianwala Bagh indiscriminately. There was only one working exit in Jallianwala Bagh that was blocked out by General Dyer. The other doors of Jallianwala Bagh were too narrow and were closed. The people who had gathered there had no means of escape from the Bagh. Around 600 people were shot dead that day, thousands of people were injured, and most of them were critically injured. The Jallianwala Bagh Massacre is one of the most barbaric and cold-blooded, cold murder of innocent and unarmed citizens of our country. April 13th is considered one of the darkest days in the freedom struggle.

“SAY NO TO PLASTIC USE”

PLEDGE

We realize that our environment is degrading day by day due to plastic pollution because it does not degrade and mix with soil easily and do not biodegrade. Now let’s take a pledge together to save mother earth. We will stop the use of plastic bags and will use reusable cloth bags only. We pledge that we will educate our community people to save our environment. We will share the best possible solution to control Plastic Pollution, with the people of our community

Figures: NCC Students taking pledge on “say no to use plastic”
